7. TEW 40	4. DESCRIPTION OF ITEM (With Inclusive Cales or Retention Periods)		SAMPLE DR	+G. +CTION TAX
	This NdA requires that each person indoctrinated for SCI submit anything that might relate to SCI for security review prior to its disclosure to the public, as long as that person lives. To hold personnel accountable to this agreement, the NdA must be held as long as its signer is physically capable of violating it. This retention period is 70 years, which is believed would cover the reasonable life expectancy of the population involved.			
	Attached Under Secretary of Defense Memorandum for the Director, Defense Intelligence Agency explains further the need and use of the SCI NdA. Policy requirements the SCI NdA will be included in appropriate DOD and Agence directives.	er
